Interior

- Assist handles
 - First row passenger and second row outboard seats
- Cargo net
 - Helps secure and organize smaller items in your cargo area
 - Easy to remove and store when not needed
 - Black envelope-style cargo net
- Tri-zone automatic climate control
 - Automatically maintains the selected temperatures for the driver, front passenger and rear seat passengers
- Front center console
 - Keep valuables and smaller items secure
 - Storage area, cup holders and auxiliary power outlet
 - USB ports and auxiliary jack
- Cruise control
 - Maintains a selected speed while driving
 - Automatically disengages when the vehicle's traction control system needs to limit wheelspin on slippery surfaces or when the StabiliTrak® stability control system detects an oncoming skid
 - Set and resume speed functions
- Rear window defogger
 - Helps to keep your rear view clear of fog or frost
 - Utilizes a warming grid to help remove fog or frost from the rear window
- Power door locks
 - Programmable
 - Allows you to lock and unlock doors easily whether it's from the driver or front passenger seat or from outside using the key fob
 - Lockout protection helps you avoid locking keys in the vehicle
- 4.2" diagonal color Driver Information Center
 - Includes driver personalization, warning messages and vehicle information
 - Average vehicle speed and fuel economy
 - Fuel range
 - Trip odometer
 - Tire pressure and oil life
- Carpeted floor covering
 - Color-keyed
- Carpeted floor mats
 - Removable color-keyed floor mats for first and second rows
- GMC Connected Access capable
 - Subject to terms. See onstar.com or dealer for details.

- Interior lighting
 - Theater dimming and delayed entry/exit lighting as you enter or leave the vehicle
 - Lighting for front and rear door handles, front and rear passenger footwells and door storage area
- Interior lighting
 - Driver- and passenger-side door switch with delayed entry feature
 - Dome light
 - Map lights in front and second row seat positions
 - Cargo lights, door handle or Remote Keyless Entry-activated illuminated entry
- Inside rearview auto-dimming mirror
 - Automatically dims the inside rearview mirror when it senses bright light from behind
 - When headlamp glare is no longer detected, the mirror returns to its normal state
 - May require additional optional equipment
- Power-adjustable pedals
 - With the push of a button, the accelerator and brake move forward or back to help adjust to your most comfortable driving position
 - May require additional optional equipment
- 110-volt power outlet
 - Can be used to plug in electrical equipment, such as a cell phone or a portable device
 - When not in use, the outlet's protective cover snaps into place
- 12-volt power outlets
 - Located in the instrument panel
 - 2 in the console
 - 1 in 3rd row and 1 in cargo area
 - When bench seat is ordered, the outlet on the back of the console is removed
- Remote Keyless Entry
 - Allows you to lock and unlock doors of the vehicle with the key fob
 - Driver's door or all doors unlock at the touch of a button
 - Includes panic alarm button
- Remote Start
 - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
 - Locks doors and turns on parking lamps while the engine is running
 - Activates the climate control system
- Safety Alert Seat
 - Provides you the option of getting driver seat-bottom pulses instead of beeps for crash avoidance alerts
 - May require additional optional equipment
- Leather-appointed front bucket seats
 - SLT Standard Edition features 10-way power driver and front passenger seats, include 6-way power cushions, driver seat 2-position memory, 2-way power lumbar control and power recline
 - SLT and Denali feature perforated leather-appointed 12-way power driver and front passenger seats, include 6-way power cushions, driver seat 2-position memory, 4-way power lumbar control and power recline
- Manual-folding second row 60/40 split-bench seats
 - Includes a manual release that lets you conveniently fold one or both of the second row seatbacks
 - Provides the flexibility to transport a variety of passenger and cargo combinations
- Manual 60/40 split-folding third row bench seat
 - Can fold one or both sides down
 - Adds cargo- and passenger-carrying versatility to your vehicle
 - Folds flat
- Manual tilt and telescoping steering column
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - Provides extra comfort when entering or exiting the vehicle
- Steering-wheel mounted controls
 - Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls
- Leather-wrapped steering wheel
 - Equipped with conveniently mounted cruise, audio and Driver Information Center controls
- Electrical theft-deterrent system
 - Helps deter unauthorized entry, helping to protect your vehicle and its contents
 - Immobilizes the engine to help prevent theft
 - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
- Universal Home Remote
 - 3-channel programmable
 - Conveniently activate compatible devices such as garage door openers, security systems, and home automation devices from inside your vehicle
 - May require additional optional equipment
- Power windows with driver express-up/down and front and rear passenger express-down
 - Quickly raises the window or lowers it with the touch of a button
 - If obstruction is detected, the anti-pinch feature will auto-reverse

Mechanical

- 4-wheel drive
- 150-amp alternator
- 4-wheel antilock disc brakes
 - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
- External auxiliary transmission oil cooler
 - Heavy-duty air-to-oil cooler
 - Helps prevent transmission overheating
 - Helps provides optimal transmission performance even when operating under a heavy load or towing a trailer
- External engine oil cooler
 - Heavy-duty air-to-oil cooler
 - Helps the engine generate peak performance efficiently
 - Helps prevent possible engine oil breakdown during high-performance driving or under loads
- Limited-slip rear differential
 - When the differential senses a significant difference in wheel speed, it locks to turn both rear wheels in unison for added traction
 - Helps your vehicle power through the toughest terrain by keeping the rear wheels moving together
- 5.3L EcoTec3 V8 engine
 - 355 hp @ 5600 rpm
 - 383 lb-ft of torque @ 4100 rpm
 - Aluminum block

- Active Fuel Management™ technology
- Direct injection
- Variable Valve Timing
- Single-outlet exhaust
 - Aluminized stainless-steel muffler and tailpipe
- 7,300 lbs. GVWR
 - When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- Powertrain grade braking
 - Helps reduce braking needs when driving in hilly areas
 - Automatically uses engine torque while driving on descents, helping you maintain your speed
- 3.08 rear axle ratio
- Steering, power
- Premium Smooth Ride suspension
 - Designed to offer passengers a more comfortable ride by isolating the interior cabin from rough pavement
- Suspension, front coil-over-shock with stabilizer bar
- Suspension, rear multi-link with coil springs
- Tools, mechanical jack and wheel wrench stored in rear quarter trim
- Tow/haul mode selector
 - Located at the end of shift lever
- Trailering equipment
 - Trailering hitch platform
 - 2" trailering receiver
 - 7-wire electrical harness and 7-pin sealed connector for connecting your trailer's lights and brakes to your vehicle
- Autotrac® 4x4 active transfer case
 - Single speed 4WD transfer case
 - The system is designed to detect wheel slippage and transfer torque to the front wheels for enhanced traction
 - As conditions warrant, the vehicle will return automatically to 2WD
 - Manually engage 4WD on a full-time basis
- 6-speed automatic transmission
 - Electronically controlled transmission with overdrive and Driver Shift Control
 - Smooth, effortless automatic shifting
 - Tap-shift capability allows you to switch gears manually
 - Tow/Haul mode reduces shift cycling for better control and improved cooling when towing or hauling heavy loads

Entertainment

- 4G LTE Wi-Fi® hotspot capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Bose® premium audio system
 - 9 speakers
 - Bose® is renowned for expert sound engineering and high-quality audio and with premium speakers positioned throughout the cabin, you'll get rich, concert-like sound
 - Includes AudioPilot® noise compensation technology that monitors cabin noise levels and seamlessly adjusts volume level and equalization
- Single-slot CD/MP3 player
 - Offers a choice of media so you can play your favorite music through your vehicle's audio system
- 8" diagonal GMC Infotainment System
 - 8" diagonal high-resolution GMC Infotainment System with multi-touch display and AM/FM/SiriusXM radio
 - Bluetooth® streaming audio for music and select phones
 - Apple CarPlay™ capability for compatible phones
 - Android Auto™ capability for compatible phones
 - Customize and manage entertainment and vehicle feature settings through the 8" diagonal touch-screen display
 - Use, control and manage select smartphone apps through the Infotainment system
 - Voice-activated technology for phone
- HD Radio
 - Provides consumers with additional channels known as HD2, HD3 and HD4
 - Transmits Program Service Data, such as song titles and artist information
- SiriusXM® Radio trial
 - Welcome to the world of SiriusXM
 - Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
 - Plus, listen on the app and online — it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you

Package

- Enhanced Driver Alert Package
 - Automatic Emergency Braking
 - Forward Collision Alert
 - Lane Keep Assist with Lane Departure Warning
 - Safety Alert Seat
 - IntelliBeam® headlamps
 - May require additional optional equipment
- Memory Package
 - Recalls 2 driver presets for power seat and adjustable pedals
 - SLT and Denali also include settings for the outside rearview mirrors and power tilt and telescopic steering column
 - Press the memory buttons, or use the key fob to return position preferences

Safety-Interior

- 7 airbags (requires bucket seats)
 - Frontal airbags for driver and front outboard passenger
 - Seat-mounted side-impact airbags for driver and front outboard passenger
 - Driver inboard seat-mounted side-impact airbag (requires bucket seats)
 - Head-curtain airbags for front and rear outboard seating positions
- Forward Collision Alert

- o Can alert you when it detects that a front-end collision is imminent with a vehicle that you are following
- o It also can alert you if you are following a detected vehicle much too closely
- o May require additional optional equipment
- Front and Rear Park Assist
 - o Can provide distance alerts to nearby detected objects to help you park and avoid objects at low speeds
- Front outboard Passenger Sensing System for frontal outboard passenger airbag
- LATCH System
 - o Lower Anchors and Tethers for Children system helps make it easy to install and secure a compatible child restraint seat
- Lane Keep Assist with Lane Departure Warning
 - o Can help you avoid crashes due to unintentionally drifting out of your lane by providing gentle steering wheel turns when the system detects you are drifting out of your lane with no turn signal or steering activity
 - o Can also provide Lane Departure Warning alerts when a lane marker is crossed
 - o May require additional optional equipment
- OnStar® & GMC Connected Services capable
 - o Terms and limitations apply. See onstar.com or dealer for details.
- Rear Vision Camera
 - o When in Reverse at low speeds, provides you a view of the scene directly behind the vehicle on the Infotainment screen to help you park and avoid nearby objects
- Teen Driver
 - o This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - o It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - o An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - o Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
 - o Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
 - o Includes Tire Fill Alert

Safety-Mechanical

- Automatic Emergency Braking
 - o When traveling at speeds less than 50 MPH, the system can alert you if it detects that a front-end collision situation is imminent with a vehicle ahead you are following
 - o It can also help reduce the collision's severity by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking
 - o The system may even help avoid the collision at very low speeds
 - o May require additional optional equipment
- Brakes, 4-wheel antilock, 4-wheel disc
- Hill Start Assist
 - o When you are stopped on an incline, this feature keeps the brakes engaged for a split second as you transition from brake pedal to gas pedal
 - o Automatically releases once you press down on the accelerator
- StabiliTrak, electronic stability control system with traction control
 - o Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
 - o Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - o Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
 - o Includes Brake Assist that senses how hard and fast a driver hits the brake pedal and gives extra braking assistance, if required

Exterior

- Active aero shutters
 - o Shutters close at high speeds to help enhance aerodynamics
 - o Shutters reopen at lower speeds or when needed to help cool the engine compartment
- Black assist steps
 - o Textured step pads help provide secure footing
 - o Extend from wheel well to wheel well
 - o Includes chrome accent strip
- Fog lamps
 - o Help minimize glare in adverse driving conditions
 - o With chrome surround
- Deep-tinted glass
 - o Provides added protection from sun and glare
 - o Tint on rear side windows and rear liftgate window
- Halogen projector-beam headlamps
 - o Dual halogen projector lamps help provide more even light distribution
 - o Includes automatic exterior lamp control
- Power liftgate
 - o Opens your liftgate with the touch of a button
 - o Memory height function allows you to program how high the gate opens to suit you
 - o Operate the power liftgate in 3 different ways: using the liftgate button on the Remote Keyless Entry transmitter, pressing the liftgate button inside the vehicle or pressing the touchpad on the exterior liftgate handle
 - o May require additional optional equipment
- Black roof-mounted side rails
 - o Enhances the appearance of your vehicle
 - o Allows you to secure cargo directly to the top of your vehicle
 - o Removable for easy on and easy off
 - o Denali includes chrome trim
- Heated power outside mirrors
 - o Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
 - o Power adjustments allow you to move both side mirrors with the touch of a button
 - o Manual-folding feature lets you fold the mirrors in
 - o Driver mirror includes spotter mirror
- Spare tire carrier lock
 - o Helps keep spare tire secure
 - o Utilizes the same key as the door and ignition
- 17" all-season blackwall spare tire
 - o P265/70R17
- 18" all-season blackwall tires

9/8/2019

- 17" full-size spare steel wheel
- 18" bright machined aluminum wheels
 - Paired with all-season blackwall tires
- Acoustic laminated glass
 - Helps keep out traffic and road noises
 - Dampens sounds from the outside to help give you a quiet ride
- Solar-absorbing glass
 - Helps minimize the effects of solar rays entering the cabin
 - Assists in maintaining a more comfortable interior temperature
- Rear intermittent wiper
 - Variable-speed
 - Keeps your rear window clear to help enhance visibility
 - Washer to help keep rear window clear
 - When not in use, the wiper is concealed by the rear spoiler for a seamless appearance
- Rainsense™ automatic wipers
 - Turn on automatically when sensors detect varying degrees of precipitation on the windshield
 - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions

Safety-Exterior

- Daytime Running Lamps
 - Includes automatic exterior lamp control
- IntelliBeam
 - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
 - The automatic high beams will stay on until a sensor detects an approaching vehicle's headlamps or preceding vehicle's taillamps
 - May require additional optional equipment

Warranty
