Where charged in a foreign currency, the International Money Transfer Fee will be calculated at the exchange rate applicable at the time of processing.

Payment will be subject to fees and charges imposed by intermediary banks involved in the transaction. By choosing the 'Beneficiary to Pay' option you are opting for these fees and charges to be deducted from the International Money Transfer and accordingly the beneficiary account will receive a lower amount.

Payment of funds to the beneficiary account is the responsibility of the beneficiary bank, and the timing of the payment is therefore beyond ASB's control. ASB shall accept no responsibility for the timing of the payment. All enquiries to other banks concerning payment will be at the user's cost.
