

WE BUY BACK USED EQUIPMENT

We are interested in purchasing chillers, generators, boilers and transformers.

We offer turn key data center decommissioning where we will pay you to allow us to decommission and remove the assets from your data center.

REFRIGERANT BUY BACK

We purchase a variety of types valued at competitive prices. Let us take it off your hands.

MARKETING

Sometimes it can be a hassle to sell these items yourself. That's why we offer to do it for you. With the information you provide, we place your items online and send it to our contacts. Our goal is to get the best deal for your used equipment.
