**Licence is hereby granted to the importer specified herein to import the goods set out in this Licence subject to such conditions, restrictions and limitations as are herein specified:**

**Conditions**

- The vehicle must be accompanied by a Certificate of Cancellation of Registration stamped by the Transport Authority in the country of origin. The exact age (date of manufacture) and chassis number of the vehicle must be reflected in the document.
- The individual who is seeking an Import Licence for the importation of a foreign used motor vehicle must personally order and make arrangements for the landing of the vehicle at the Port of Entry.
- Electric vehicle means a vehicle that is propelled by an electric motor powered by a rechargeable battery pack.
- An individual will be allowed to import only one (1) vehicle within a 4-year period and ownership of this vehicle will not be transferable during that period.
- The Import Licence granted to the Individual shall not be transferable and shall be valid from the time issued until the end of the calendar year in which the licence was issued
- At the time of importation the age limit of the vehicle shall not exceed two (2) years from the year of manufacture.
- The imported vehicle must meet all environmental requirements as determined by statute or regulations approved by the Transport Commissioner.
- The vehicle must be fitted with an ozone friendly refrigerant in its air conditioning system.
