EDUCATION

Bachelor of Science, Mechanical Engineering, Cockrell School of Engineering

May 2029

The University of Texas at Austin GPA: 3.4869/4.00

Katy High School

Class Rank: 7/758 Weighted GPA: 4.7049/5.00

EXPERIENCE

Undergraduate Researcher, The University of Texas at Austin

January 2026 - December 2026

- Selected to be a part of the first-year student research program (FUSE) and Jamie Warner Research Group

Swim Instructor, LifeTime Fitness Club

July 2023 - June 2025

- Taught swimming skills to students ranging from infants to adults, allowing them to progress from novice to advanced
- Communicated effectively with parents to discuss their children's growth and development in class
- Settled any member disputes in a professional manner
- Received Performer of the Month Award during the first month of employment

High School Varsity Orchestra Player, Katy High School

August 2021 – May 2025

- Elected Orchestra President for Senior year
- UIL Sweepstakes for Sophomore, Junior, and Senior year
- Planned events, socials, and concerts with orchestra director to drive the program into a successful season

Founder, 4 Strings

September 2023 – December 2024

- Created a program associated with Arms Wide Adoption Services and Centro de Formación Orquestal Siman that provided free cello lessons to foster youth
- Learning ranged from basic sitting position and note learning to complex music theory and advanced shifts

Volunteer, Hope Swims

June 2023 – July 2024

- Volunteered in a non-profit that helped foster youth with disabilities by teaching them swimming basics. It made kids aware of their self-worth and promoted future independence
- Covered breath control, floating, flutter kicking, and eventually freestyle technique
